Karol Priebe, Seattle Artist

A local Ballard painter, Karol creates fun, whimsical art, showcasing for example, dog walking from her view of “women in her life and the dogs they love,” as reviewed by The Scoop at Walters in Ballard BlogSpot. Her paintings are unique, interesting, and using vibrant colors she tells the story. Come have fun with Karol and learn how you can create something fun. At the end of the series we hope to take you on an art walk (journey) of local galleries.

This summer your artwork will hang in our office and perhaps we can arrange a show for your family and friends!
